

THIS MONTH, WE INVITE YOU TO THE SUN

Say good-bye to the cold and smile: La Isabela pays.

CODE: Month2017

3 NIGHTS FOR THE PRICE OF 2!!

You will be picked up from (and returned to) the airport by a private chauffeur who will bring you safely to your Suite, with superb views. Pay for 2 nights and it will be our pleasure to invite you to the third. And since we like you that much, let us include some other things....:

Welcoming basket of fruit and wine

You might think our Maridaje (pairing) of wine and fresh tropical fruits is strange, but do not say no until you have tried fresh Panamanian pineapple with a Red Chilean Cabernet Franc....

2 La Isabela Suites Signature Massages ©

We believe in one type of massage: a great one. We believe in one type of product: the unaltered mix of pure oils and plant extracts. With this philosophy, we have created the perfect massage, which is customized to the needs of each client (*Tip: Our certified masseuse has been renamed "Angel's hands" by the popular demand of our guests*)

Bike away from the December cold

La Isabela invites you to the trendiest activity this month: To bike around the Cinta Costera. And since we are different from everybody else, we have arranged for your bikes to be delivered to you at La Isabela Suites (all included).
