

Quick view of Panama

2 pax /3-night stay

Panama City is the historic and cultural center of our country. Panama is a great place that can amaze you in every corner, however, in the city you learn and have a grasp of its culture and history. Do not miss the opportunity to see in action one of the modern wonders of the world and the same time have a direct contact with the local flora and fauna.

Start being pick up by one of our vetted chauffeurs at the airport for a safe and comfortable drive to La Isabela Suites. One thing less to worry about from the beginning of your trip.

First an overview of this beautiful city with our Private City tour, the private tour guide will pick you up at La Isabela Suites about 7:30am and he will go with you to locks and into the museum while teaching you different facts and answering all the questions you might have.

At the afternoon, our not-your-typical-guide (UNESCO certified) will bring you to an exclusive-non-typical tour(about 2.5 hours). You will walk the streets of Casco to learn about the History and the stories of this magical placed declared World Heritage Site in 1997.

The next day, you will visit one of the most famous places of the world due to its fresh water, the Gatun Lake. As the region was flooded to create the lake for the Panama Canal, animals took refuge in the mountain peaks, which are now the many islands that dot the renowned lake. With our Monkey Islands Tour, you will appreciate the abundant flora and fauna, such as white face capuchin monkeys, two toed sloths, exotic birds, crocodiles and howler monkeys, you could also observe ships transiting the water way. Within the area you will be visiting the sloth's sanctuary.

At the end of your stay, our private chauffeur will drive you to the airport for a safe return home or to the next part of your trip through this small but amazing country.
