

CONQUER THE WORLD

“To Adventure is to find yourself whole again”

CODE: Adventure2017

5 DAYS and 4 NIGHTS FOR 2 PEOPLE:

You will be picked up from (and returned to) the airport by a private chauffeur who will bring you in safely to your Suite, with superb views. Get into your Conquistador/a mood: The adventure begins.

(This package is not yet included in the Guinness Book of Records, but it should!)

Conquer the rivers

Starting strong is always the best strategy for winning. You will be picked up at 05.00AM in your 4Wheels Drive to reach places inaccessible through roads by normal human beings. You will trek, raft, and kayak and will privy the secret corners of the rivers and lakes of the Embera Indians Tribe territory.

Conquer the Oceans

Panama is an indigenous word that means “abundance of fish...” If that is not enough to put it in your bucket list, what about this: Panama is the only place in the world where you can dive 2 oceans in 1 day. Dive among Corals, sunken pirate ships, sharks, dolphins, and have the most amazing diving experience in your own subaquatic kingdom....

Conquer the jungle

The Canopy Tour, located around the spectacular waterfall "El Macho" in "El Valle de Anton," offers the adventurous the opportunity to ascend into the forest canopy and see jungle life from a perspective previously available only to a selected few nature researchers and photographers (and of course the birds...).
